Keivan Sabermahani

Frontend-Developer

My Portfolio >>> keivanmahani.netlify.app   kayvanmahani@gmail.com   +989351703204

Frontend Developer with 3+ years of experience building responsive and accessible web interfaces using React, Next.js, and modern JavaScript (ES6+). Skilled in translating Figma designs into scalable UI components, optimizing performance, and ensuring cross-browser consistency. Passionate about clean code, reusable architectures, and continuous learning in modern frontend ecosystems.

Professional Experience

Freelance Frontend Developer

2023 – Present, Tehran,Iran
Remote / Project-based

- Built and deployed multiple responsive web applications using React, Next.js, and Tailwind CSS, implementing reusable UI components and dynamic routing.
- Collaborated with clients to translate mockups into interactive web pages, ensuring cross-browser compatibility and mobile optimization.
- Enhanced website performance through image optimization, lazy loading, and code splitting, achieving up to 30% faster load times (Google Lighthouse benchmarks).
- Integrated REST APIs for data-driven components and implemented form validation with React Hook Form and Yup.
- Deployed and maintained projects on Vercel and Netlify.

Selected Projects

Personal Portfolio Website │ keivanmahani.netlify.app
- Developed and deployed a fully responsive personal portfolio using React and Next.js.
- Wrote over 3,500 lines of code, demonstrating modular structure, reusable components, and optimized build performance.
- Achieved a 90+ Lighthouse score for performance and accessibility.

Creative Agency Landing Page │ **Live Demo on Netlify**
- Designed and implemented a landing page with Tailwind CSS, Framer Motion, and Next.js for animations and smooth scrolling.
- Improved Core Web Vitals by optimizing assets and reducing DOM complexity.

Dashboard App │ **Private Repo**
- Built a modern dashboard interface with dynamic charts and tables using React, Recharts, and Context API for state management.
- Focused on modular architecture and responsiveness across desktop and mobile screens.

Education

University of Kerman
M.A. in Engineering Physics
2013-2016, Iran

Azad University of Tehran
B.Sc. in Public Administration
2017-2020, Iran

Technical Skills

Frontend:
HTML5, CSS3 (Flexbox, Grid), JavaScript (ES6+), TypeScript, React.js, Next.js, Tailwind CSS, SCSS/SASS

UI & Design:
Figma, Responsive Design, Component Architecture, Accessibility (WCAG)

Version Control & Deployment:
Git, GitHub, GitLab, Netlify, Vercel

Other Tools:
REST APIs, JSON, WordPress, VS Code

Languages

Persian (Nativ)

English (Fluent)

Deutsch (B2)

Certificates

Learn TypeScript

Learn Next.js

Learn React

Learn JavaScript

Introduction to SQL

Introduction to Software Engineering

Building Web Applications in PHP

Visualizing Data with Python

Python for Everybody

Using Databases with Python

Using Python to Access Web Data

Programming for Everybody
